

**Go for the Greens Foundation Inc.
Mentorship Program September 20, 2019**

The Go for the Greens Foundation Inc. has a Mentoring program that provides young women like you in high school and college with an opportunity to meet and connect with women business leaders. This program is designed to recognize your leadership qualities and inspire you to dream big and focus on the next steps to realizing your potential as an entrepreneur or a leader in the workforce.

This mentoring initiative provides educational opportunities in a highly interactive environment to encourage you to learn from mentors as well as each other. The goal is to show you an array of top-level careers that are open to you, with the idea in mind that "You can't be what you can't see." It will include in-person and virtual events.

The initiative kicks off with a one-day curriculum at the Go for the Greens business development conference on Friday, September 20th, 2019 at Disney's BoardWalk Resort in Lake Buena Vista, Florida. This event offers you a unique opportunity to learn from women all over North America. You can find more information at www.goforthegreens.org.

If you'd like to participate in the mentorship program, please read the enclosed application and submit your information online at www.goforthegreens.org. The applications are due by June 30th. The foundation will notify you as soon as possible whether you are accepted into the program so you can make travel arrangements to participate in the September 20th event. Please see the attached information sheet with a schedule for the event.

Thank you, and we wish you great success!

Billie Bryant Schultz, Co-Chair, Go for the Greens Mentorship Program

Barbara Tulske, Co-Chair, Go for the Greens Mentorship Program

Cindy Chace, Chair and Co-Founder, Go for the Greens Foundation

Diane Sears, Co-Chair and Co-Founder, Go for the Greens Foundation
